PROFILE SUMMARY

I'm Christina Sharon S, a third-year B.Tech Information Technology student with a strong interest in cloud computing, artificial intelligence, and full-stack web development. I enjoy building practical, user-focused applications and have hands-on experience with technologies such as React.js, Java, Python, SQL, Firebase, PostgreSQL, and AWS. Through internships and hackathons, I've developed problem-solving, teamwork, and software development skills while working on real-world projects. I am a quick learner, adaptable, and eager to expand my technical expertise, with the goal of building a successful career as a Cloud Engineer while continuously learning emerging technologies.

PROFESSIONAL SKILLS

Content writing	**Cloud Computing**
DevOps	

WORK EXPERIENCE

Cloud & DevOps Intern

MCC MRF Innovation Park | East Tambaram

Jun 2026 - Jun 2026

Completed my internship at MCC, where I gained valuable hands-on experience by working on real-world tasks in a collaborative professional environment. During my internship, I strengthened my technical, analytical, and problem-solving skills while learning to adapt to industry practices and work effectively within a team. This experience enhanced my confidence, professionalism, and understanding of workplace expectations, preparing me for future opportunities in the IT industry.

EDUCATION

BTech IT

St.Joseph's College Of Engineering | OMR,Chennai-600019

2024 - 2028

Currently pursuing a Bachelor's degree in Information Technology at St. Joseph's College of Engineering. Passionate about cloud computing, artificial intelligence, and full-stack web development, with hands-on experience gained through internships and academic projects. Eager to apply technical knowledge, continuously learn emerging technologies, and contribute effectively in a professional environment while building a career as a Cloud Engineer.
