PROFILE SUMMARY

I'm Nancy Narmadha T, a Software Developer at TekQuora with a passion for creating innovative, user-friendly, and impactful digital solutions. I enjoy building web applications that combine functionality, performance, and great user experiences while solving real-world challenges. I believe that technology is constantly evolving, and I am always eager to learn, improve, and adapt to new tools and development practices. I enjoy collaborating with teams, sharing ideas, and turning concepts into reliable software that delivers value. Driven by curiosity and a commitment to quality, I strive to build applications that are efficient, scalable, and easy to use. I am always looking for opportunities to grow professionally, contribute to meaningful projects, and create solutions that make a positive impact on users and businesses.

PROFESSIONAL SKILLS

Team Leadership	**Project Coordination**
Python	

WORK EXPERIENCE

Developer

TekQuora | Chennai

Apr 2026 - Present

Working as a Software Developer at TekQuora, contributing to the design and development of modern web applications and AI-powered solutions. Collaborating with cross-functional teams to build responsive, scalable, and user-focused applications while participating in the complete software development lifecycle, from development and testing to deployment and maintenance. Committed to delivering high-quality solutions, continuously learning emerging technologies, and driving innovation through efficient and reliable software development.
